RE: Christian Heritage Proclamation

Senator Clements Encourages the Observation of Christian Heritage Week with Recent Proclamation

Elmwood – Today, State Senator Rob Clements from Elmwood stated, “As we enter the Thanksgiving season, it’s important to recognize and give thanks for the Christian Foundation upon which our state and nation was built.”

On November 4, Governor Pete Ricketts signed a proclamation designating Sunday, November 24 to Saturday, November 30 “Christian Heritage Week.” Led by Clements, the proclamation encourages all citizens to acknowledge the rich Christian Heritage of our nation, our founding principles, and our Founding Fathers. “Observing our Christian Heritage during Thanksgiving week seems fitting as we gather with family thanking God for all His blessings and the freedom and liberty we enjoy,” said Clements.

Noting the formation and growth of our nation, the proclamation provides a great opportunity for teachers, parents, and churches to:

...center attention on, and to teach children of our Christian Heritage, which is foundational to the institutions, values, and vision of our nation, and to thank Almighty God for His great and good Providence in the formation of our state and nation.

The full text of the proclamation is available by request at rclements@leg.ne.gov or at Senator Clements’ Facebook Page: www.facebook.com/Senator.Clements
